 Supplement to Transfer Disclosure Statement (Page 1 of 7)

Property: 981 Cape Buffalo Dr. San Jose CA, 95133 **Date:** 5/26/2015

THE INFORMATION ENTERED ON THIS FORM IS PROVIDED BY SELLER ONLY. (AGENTS' DISCLOSURES ARE PROVIDED ELSEWHERE.) THIS DOCUMENT IS SOLELY A SUPPLEMENTAL DISCLOSURE; IT IS NOT, AND SHALL NOT BE DEEMED TO CONSTITUTE, ANY PART OF THE RELATED PURCHASE CONTRACT.

CAUTION TO SELLER: California law requires that you disclose to a Buyer all material facts, of which you are aware or reasonably should be aware, bearing on the value or desirability of the Property. This supplemental form serves as an additional checklist intended to aid you in identifying, recalling and disclosing such material facts (including negative conditions that arose during prior ownerships). If you are in doubt as to whether a condition constitutes a "defect," it is always prudent to disclose and explain rather than remain silent. Full disclosure of material facts reduces the risk of subsequent disputes, claims and litigation regarding the Property. Please be aware of your obligation as Seller to be alert to, and to disclose problems and defects known by you to exist, even where they are not included in this checklist.

CAUTION TO BUYER: California law requires that you exercise reasonable care in investigating the Property, and that you take account of facts that are disclosed or otherwise known to you, or which are within your diligent attention and observation. You are strongly urged to thoroughly inspect the Property and surrounding neighborhood, carefully read and assess all disclosures and inspection reports (carefully considering inspectors recommendations of additional, specialized inspections) and to ask questions and make additional inquiries of others, including inspection professionals, that you, as Buyer, feel important. Factors relating to the Property and/or the neighborhood may affect you quite differently (positively or negatively) than they do the Sellers, whose perceptions are inevitably subjective. A property or neighborhood condition that is entirely satisfactory to a Seller might be regarded by a Buyer as an annoyance or a nuisance. Understand that this and other Seller disclosures typically reflect a Seller's non-expert, subjective perceptions of a Property, and that items noted on this form reflect only those conditions of which Seller is aware. This list almost certainly does not account for each and every possible defect and Seller's lack of awareness of a problem does not mean that none exists.
